

I'm with you (Avril Lavigne)

I'm on a

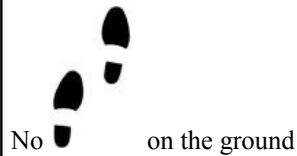

I'm in the dark

I that you'd be here by now

There's nothing but the

No on the ground

I'm but there's no sound

Isn't anyone trying to me ?

Won't somebody

take me

It's a damn

night

Trying to figure out this life

Won't you take me by the

Take me somewhere new

~~I KNOW~~

who you are

But I... I'm with you.

I'm

for a place

for a

Is anybody here I know
'cause nothing's going right

And everything's a

And no one likes to be

Isn't anyone trying to find me ?

Oh, why is everything so confusing

Maybe I'm just out of my mind

Yea Yea Yea

It's a damn ... night.....
